

GOOSE CREEK CONSULTING

U.S. Government Solutions

Whole Person, Whole Organization, Redefining Help

Goose Creek Consulting helps government agencies improve their return on human capital investment and meet the talent management challenges of the current marketplace through coaching solutions focused on organizational development, individual development and change management.

Our Approach. Our Company.

Goose Creek's flexible set of coaching solutions assist our clients with the functioning of organizations, the development of leaders, transitions, the challenging policy and economic cycles, as well as the strengthening of teams and the rehabilitation of struggling employees. Our solutions help address critical talent management and organizational demands to develop, improve, manage and sustain talent. Our coaches and our organization have experience in organizational development efforts at a variety of government agencies.

Our Technical Capabilities

Executive and Leadership Coaching

Prepares established, senior leaders, teams and other groups for the changing marketplace through coaching focused on improving organizational performance by creating senior leaders who are engaged, motivated and equipped to develop and achieve the organization's strategic goals. Focuses on skill development, leadership qualities and behavior change with the goal of creating agile workforces that have stronger effectiveness and succession plans.

Facilitation

Providing facilitation for meetings, strategic discussions, conflict resolution and retreats to help create safe environments for the development of idea, stronger communication and action-oriented results.

Employee Engagement Support

Support for the action-planning and implementation efforts related to employee engagement, training efforts, unit assessments and other team and unit development efforts.

Vocational Rehabilitation

Provides individuals with stronger skills and training for the workplace. Coaches work with clients working to overcome the challenges of derailment, workplace transitions, layoffs, unemployment, underemployment and disabilities and other

Our Small Business Certifications
